My Testimony: The 29.5 years, remaining on my 30-Year Mortgage, was reduced ("Compressed") to 10.6 years. This service simply eliminated 64% of my Lender's scheduled monthly Mortgage payments! I personally had over \$79,000.00 in "Interest" cancelled and saved an additional \$134,000.00 in eliminated Mortgage payments. That tallies up to over \$213,000.00 saved! I was a Client first. This service is absolutely genius but yet so simple. I was so impressed that I immediately became a certified U1st Independent Agent.
